

Dear music lovers of all ages,

I am delighted with your interest in Das Klingende Museum and your request for an Open Workshop booking.

Workshops take place on the 1st and 3rd Saturday of each month. In each workshop, a music instructor teaches a max. of 15 people (children and adults). These workshops are very well suited for initial musical orientation. You will gain an overview of the different instrument families at a low-threshold and see which instrument groups are particularly suited to your child. Further special workshops can be custom arranged after your first visit in order to deepen knowledge and foster a lasting interest in music.

Open Workshop 1

On the 1st Saturday of each month, two Open Workshops for families with children from 3-6 years of age take place. These workshops last an hour and begin at 10:00 and 11:30 respectively. Age-appropriate instruments can be tried under the direction of music pedagogues.

The fees are €6 for children and €12 for adults (max. 15 participants).

Open Workshop II

On the 3rd Saturday of each month, an Open Workshop for families with children from 6 years of age takes place. The Workshop begin at 10 . The workshop lasts two hours and covers instruments from the whole orchestra. Under the supervision of music teachers, attendants can get to know the 4 instrument groups (string-, brass-, wind-, and percussion instruments) and actively try them in groups (each with a max. of 15 people).

The fees are €7 for children and €14 for adults.

Individual Family Workshops

Our museum is full of instruments for you yourself, or your family and friends. If you are only interested in certain instruments and want a personalized session privately and without time pressure, please book an individual appointment at Das Klingendes Museum, where music teachers will guide you, your family and friends. The price is €100 for 2 hours.

Please book as soon as possible! (See page 2)
