# Open Workshops at Klingendes Museum

01/2026

**Dear music lovers of all ages,**

We are delighted with your interest in Klingendes Museum Berlin and our Open Workshops.

Open Workshops take place on the 1st and 3rd Saturday of each month. In each workshop, a music instructor teaches a max. of 15 people (children and adults). These workshops are well suited for initial musical orientation. You will gain an overview of the different instrument families at a low-threshold and see which instrument groups are particularly suited to your child. Further special workshops can be custom arranged after your first visit in order to deepen knowledge and foster a lasting interest in music.

### Open Workshop "Piccolo" (3 years and above)

On the 1<sup>st</sup> Saturday of each month, two Open Workshops for families with children from 3-6 years of age take place. These workshops begin at 10:30 am and at 12:00 pm. Age-appropriate instruments can be tried under the direction of music pedagogues. Children must be accompanied by at least one adult.

Duration: 1 hour

Fee: € 8 per child and € 16 per adult; € 3 per person for holders of the Berlinpass

### Open Workshop "Grande" (6 years and above)

On the 3rd Saturday of each month, an Open Workshop for families with children from 6 years of age takes place. The workshop runs from 11:00 am to 01:00 pm and covers instruments from the whole orchestra. Under the supervision of music teachers, attendants can get to know the four instrument groups (string-, brass-, wind-, and percussion instruments) and actively try them in groups. Children must be accompanied by at least one adult.

Duration: 2 hours

Fee: € 10 per child and € 20 per adult; € 3 per person for holders of the Berlinpass

### Individual Family & Friends Workshops

Our museum is full of instruments for you yourself, or your family and friends. If you are particularly interested in certain instruments and want a personalized session privately and without time pressure, we offer individual workshops, where music teachers will guide you, your family and friends. The price is € 150 for 2 hours.
